

About EFTPS

The Electronic Federal Tax Payment System (EFTPS) is a free service from the U.S. Department of the Treasury. Since it began in 1996, millions of businesses, individuals, federal agencies, tax professionals, and payroll services have used EFTPS.

All federal taxes can be paid using EFTPS. You can make payments via this Web site, a voice response system, or special channels designed for tax professionals, payroll services, and financial institutions.

Quick, secure, and accurate, EFTPS is available by phone or online 24 hours a day, 7 days a week. You can schedule a business payment up to 120 days in advance or an individual payment up to 365 days in advance. You must sign up to use.

Payroll

With the EFTPS system you can verify that your payroll processing company or in house payroll processing is making timely payroll tax deposits on your behalf. EFTPS system has the capabilities to retain information on deposits for up to one year.

To enroll go to their website: EFTPS.gov and under frequent asked question there is a list of steps to take to sign up.

The Lighthouse of Pinellas checks EFTPS system monthly to verify that all payroll tax deposits are being made by our payroll processing company. You will find copies of our payroll tax deposit in this folder listed by months.
